

FALL INTO FLAVOR

The Fall Season is almost here and we have a convenient and easy way to add the taste of the season to your baked goods... *use SensoryEffects[®] Inclusions!!*

With our delivery system, the flavors and aromas are trapped in the matrix until the inclusion melts (~120 F), at which time they are released into the baked good. This means more flavor and aroma for your final product.

SensoryEffects are an easy way to add a new flavor twist to the Fall Season and are available in different sizes and shapes.

You'll *fall* in love with our flavors:

- Pumpkin Pie
- Cinnamon
- Maple
- Pear
- Cranberry
- Apple
- Asiago Cheese
- Yam
