

TREND: INTELLIGENT CHOICES

People are smart about foods and their functional benefits, and they are making purchasing choices accordingly.

FLAVOR: PEACH MANGO WHITE TEA

Specialty, herbal, and fruit teas have far surpassed standard and loose teas in popularity. White Tea is a baby tea leaf that is picked when it's young so it's light in flavor and high in antioxidants. This unique tea is combined with the light fruit flavors of mango and peach to give you an exotic beverage that meets the desires of the wellness-minded consumer.
